Address:

116 Gililand Rd, Middletown, Eastwood

Price:

220.00 \$

Briggs & Stratton 14.5 HP engine runs great. I cleaned it thoroughly when I bought it last summer and we used it about 6 times since it had: blade sharpened, new fuel and air filters, new gas cap, battery, oil change and all the tires hold air.

Could use a muffler, but it's served us well while we needed it.
