Address:

Hey 98 East, East 98, Columbia

Price:

5000.00 \$

Basically a new machine it Has 268 miles and 48 engine hours. ITP tires SS wheels and a warn winch. Really nice bike I got it on a trade and it's more power than I want. It's spent most of its life in a garage plugged into a battery tender. I got offered 4500 trade in at the Honda dealer this week. If you want it I'll sell it for that price not a penny less. Or I'll consider a side by side for trade.
