Address: **Fullerton** 550.00 \$ Price:

This pool fence is in excellent condition (definitely not scratched, torn, etc!), color is brown (dark chocolate). It's practically new, seriously, installed a few months ago by All Safe Pool Fence and Covers. It is. 75ft long over a flat cement deck (15 ft panels), security lock (with key), 30-36inch spacing. The fence is 4ft tall, but I need to sell it to replace it with 5ft fence to meet foster/adoption agency height requirements. Open to a better offer and will consider trading it for a fence that will meet our agencie's requirements. Fell free to call or text Eric at 3106913149
