Hello County!

I have a modern, comfortable Harden Furniture sofa in pristine condition that can sit up to 3 people comfortably and is a great piece for a living room, den, study, or bonus room.

I've owned the sofa for 2 years and am a non-smoker with no pets, so it presents very well. The sofa is currently stored in a climate control storage unit.

Asking for \$660 OBO.

I have attached the pictures of the sofa wrapped and stored as well as a catalog picture. (It is in top notch like this photo!)
