It could be that you, a friend or relative have plans to get married in the immediate future. Congratulations! Marriage is one of the most wonderful celebrations a man and a woman can have, when God reveals His gift from the Lord to marry.

As a minister and wedding officiant, I would consider it an honor to be the one who conducts your wedding ceremony. My wedding officiant ceremonies range from a short repeating of vows before only me with a witness, or as large as you desire.

Please visit my web page: [www.theweddingchaplain.org](http://www.theweddingchaplain.org) and then give me a call to discuss your wedding plans and other details. 615-556-1834.

Regards,

Chaplain Grady Guntharp
