Adirondack Chairs - Custom & Handmade to Order

These Adirondack chairs are handmade from red cedar and sold unfinished, ready for you to stain or paint.

These chairs are versatile, comfortable, and extremely sturdy, built with quality you can't buy in stores.

They're perfect for gathering around your fire pit, relaxing in your garden, and are a great addition to any front porch.

Unlike most other Adirondack chairs, these are fully collapsible and stackable for easy winter storage, a unique feature I've incorporated into my design.

Chairs are sold individually and in addition to the standard size, petite sizing is also available. (See below for cost, dimensions, and discounts.)
