I am looking to rent a room here in Napa Ca, peferabely close to Wal-mart as my job is near that location. The most I can spend a month on all expenditures is 700 dollars, if you have a pool I"ll maintain that for you, if you give me a better rate on the rent. Thank you all, if you have any questions contact me by phone at 707-974-8391
