Address:

39th Ave. N. & 62nd St., 33709, Saint Petersburg

Price:

595.00 \$

Vintage wrought iron patio lounger and chair. Made by Woodard. Vintage and rare and stylish and will last through the years. The lounger is comfortable, and the chair also is, and has a bounce to it. Really really nice, and vintage style from Woodward. The lounger also is easily relocated to desired areas as it is back wheel based. If you are not familiar with Woodard just look online. Will consider offers. They are gorgeous and the best.
