I am looking for someone who would be interested in subleasing my apartment for the months of June and July. Negotiations for the second half of May apply. This room is one of 3 in the apartment which you would have access to. It is located in the Campus Evolution North complex just 5 minutes from campus. You would have full 24 hour access to the community center, gym, and pool right outside your building. A tanning salon is also available during the hours of desk, which are 9:00am to 7:00pm every day but Sunday. Contact me for inquiries, Price below is per month but negotiable.
