Address: 1001 Alamosa, 88220, Carlsbad

Price: 130.00 \$

This is a sword from the game halo. It is usually a collectors item but to me it was very cool looking and unique. This is a real sword so it is not a toy it comes with a stand and it is in the best of shape. Brand new. I have no need for this anymore because I haven't hung it up
