I make any type of wood plaque. I hand draw every design. I hand paint every design in detail. I also wood burn any design. I am listing pictures of 2 products that I have for sell as of now. more will be posted as they are completed. Both are wood burnt and painted wall plaques. My work is one of a kind. I am disabled so, this is my favorite thing to do. Hope to hear from you soon. Have a blessed day. great prices
