Amana, used side by side refrigerator that I believe is about 22 years old. One of the great older brands. It was our second refrigerator formerly in our garage. Fridge and freezer work great, but we have purchased a new one. \$100.00 cash. Dimensions are 3 foot wide (36 inches) & 5 ft 8 height (68 inches) There is no water dispenser on this. PM if you're interested.
