Address:

2825 Glastonbury Rd, Apex, Apex

Price:

850.00 \$

This beautiful piece has been in my family for a long time. The story is the top is Russian marble that is removable but the table eas made in France. It is of the post Civil War period. In excellent condition. The marble is very heavy. Gorgeous table. Make me an offer. I hate to sell but hey sometimes you have to do things.
