Address: 624 MAIN, Towanda Ks, Towanda

Price: **255.00** \$

Actually 4 CD's condensed on one disk to make it less costly to the user and more easily understood. A comprehensive look at how the dice actually work. Die faces, permutations, all arrays and absolute values displayed and defined graphically and textually. Did you know there are 576 permuted dice sets but only can be displayed 36 ways by the numbers. Price is firm. Brand new.
