Address:

West Bend

Price:

500.00 \$

Solid pine bunk bed set with study loft and stairway chest. This is a very clean well taken care of bunk bed set. The desk is great for kids to do their homework and it has a light built in on the top. On the bottom bunk there is also a shelf for personal items and electronics. There are a total of 9 drawers for storage. The stairs make it very easy for kids to get to the bunk.
