Address:

Forge Ct At S. Thompson, East Side, MADISON

Price:

1000.00 \$

SCOPE: This 1996 classic Meade LX 200 includes 8" f/10 Schmidt-Cassegrain optical tube assembly with EMC super multi-coatings, heavy-duty fork mount, and multi-function power panel display on the in RA and Declination, handheld keypad, Electronic Command Center with digital readout display, PPEC Smart Drive, 9-speed drive control on both axes, GO TO controller, High-Precision Pointing, and 64,340-object onboard celestial software library, 25 ft. power cord and adapter for telescope operation from 115v. AC, 9 x60mm Polar viewfinder with new batteries, eyepiece-holder and diagonal prism (1.25"), Series 4000 Super Plossl 26mm eyepiece, variable-height field tripod, Equatorial wedge, and original instruction manual. There is available an upgrade for the computer system. We purchased good quality accessories for the scope and astrophotography. I researched current prices when available, and the accessories totaled about \$1800. I was shocked at how much I spent. ACCESSORIES: Control pad holder, 1.25 visual back, Meade T-adaptor, Celestron tele-extender #93646, Meade Fuji-X T-ring, Orion skylow rear cell filter #05658, Orion/Kenko skylow filter 25mm #5660, Orion moon filter, Lumicon UHC filter, Meade series 4000 super plossl multicoated 1.25" eyepieces @ 9.7-15-40mm with covers, Meade ultra-wide angle 14 and 32mm eyepieces, Meade 2x air-spaced triplet telenegative amplifier

#140, 100x telescope mirror, eyepieces, eyepieces, Meade series 4000 1.25" 9.7-15-40mm multicoated reducer, variable red dot safety, Meade series 4000 1.25" 9.7-15-40mm
