Address:

O'Fallon

Price:

1500.00 \$

Remodeling project means I'm removing the entire set of kitchen cabinets, both base cabinets and wall mount cabinets, as well as the granite countertop. All are in great shape, but the home owner wants to do something different. I will be dismantling them within the next week and can deliver them at no additional charge. You don't pay for them until delivered and inspected.

Thank you.
