Solid Construction Chest of Drawers made from high-end Italian Beechwood. 5 drawers with anti-pullout rollers make it perfect for small children or a nursery. Well maintained, lightly used, and in excellent condition. The wood has a beautiful sheen and has very few scratches, blemishes, or discoloration of any type. Dimensions are 36' length, 18" width, 51' height. Ready for pickup today, first-come-first-served, and please, cash only. I paid \$549.00 new in 2004 and this piece will definitely maintain its value for many years.
