Ultra-thin Black Case with dual cameras

These units were ordered in January, 2014 from DHGate for \$ 100 each.

There was a dispute with DHGate over filling that order with tablets from a different vendor that we requested (as part of a re-order)

Tablets were not used while dispute was active between DHGate and our credit card company.

Dispute was settled in latter 2015 but our agency no longer used that model of tablet any longer.
