Partially renovated house for sale. New windows in living room and large bedroom, new drywall, paint, baseboards. flooring in kitchen, living room, large bedroom. New front deck. Almost all new plumbing. Gas heat. Electric stove and refrigerator included, in very good shape. Two window air conditioners included. Large yard with many trees, bushes and roses--perfect for anyone who loves flowers! Other renovations still needed. This would be great for a handy person who would like an extremely livable, affordable place to call home. Huge potential.
