Price:

150.00 \$

Very nice black Samsung Galaxy tablet. Only used about two times. No problems at all, I just prefer to use my laptop. Comes with charger and black case that has a wifi keyboard attached to it. You can connect your phone to the tablet if you have a Samsung Galaxy. Bought it in 2013/2014. For more information please email hanna.allsup@outlook.com. Excellent tablet!
