Address: 7848 Windemere Court, Williams Lake Road And Elizabeth Lake

Price: 175.00 \$

I'm selling this used Cherry Wood entertainment center with very minimal exterior scratches. It measures 66 inches high X 55.5 wide and 26.5 deep.

The two lower sections are 21.5 X 18 X 21.5

The large interior space which can hold a flat screen TV measures 44 inches wide.

The armoire also has a power outlet for three devices and a coaxial cable on the inside of it. Made in the USA by Romweber in Batesville, Indiana.

I bought this new for \$600 but selling it as the wood doesn't match our redone family room.

It's a heavy piece of furniture (as it's well built)

Local pickup only.

Pickup truck is recommended.

Cash only please.
