Address:

Cramerton

Price:

3500.00 \$

1920 Glenwood Gold Medal Range. Restored & works great. It has 5 gas burners, 2 ovens and a broiler. The top oven & broiler are gas operated. The bottom oven that was originally wood / coal was fabricated in stainless steel and operates as an electric oven which was done during the restoration. The bottom oven also broils. Works great & is in fantastic shape.
