Montrose

Price:

Free

Want to buy: 2 wheels, with or without tires, for a 2009 Mercury Grand Marquis. The rims are 17 by 7 inch, 5 bolt, 4.5 inch bolt spacing. The same rim also went on the Ford Crown Victoria and the Lincoln town car. We'd prefer a 14 spoke pattern, but will look at anything that will fit.

Email Jim or Roena Frank at jimandrofrank@gmail.com, or call Jim at (970) 209-2834
