## DIMENSIONS

White, Versatile Shayne Kitchen Table features a smooth top with two leaves that expand its length. The table converts to a rectangular console by dropping down one or both leaves.

## HOW IT'S CONSTRUCTED

Finely crafted of hardwood and veneers over MDF.

All wood is kiln-dried, a process that ensures that the table will never split, warp, crack or mildew.

Exceptionally constructed with handmade dowels, glue and screws.

Finished entirely by hand and sealed with a protective lacquer.

## DETAILS YOU'LL APPRECIATE
