Hello,

I'm searching for housing in Missoula and would appreciate any help I can get! Currently, I reside on the "east side" in Great Falls. I just spent the last 15 months in an accelerated BSN Registered Nurse, nursing program (already have one undergrad) and I graduate early August. I lived in Missoula for 7 years prior to moving to GF and I plan on relocating back home to my Missoula community in August.

Ideally I would like a one bedroom unit/cottage/small house. I would love to be close to the Rattlesnake's trails but will be happy to just be back in Missoula!

My interests are in natural medicine (worked at Meadowsweet Herbs for years), gardening/botany, delicious healthy food, yummy wine, happy communities, trail running, biking, hiking, camping, or just lying under a tree by the river.

I am very clean (a little OCD), responsible, financially stable, and a mature (33 years old).

My graduation date is August 4th and I would love to lock down a place to live beforehand (am willing to pay July's rent if needed).

I have excellent references who are more than willing to answer any questions you may have.
