I Have A 2009 Gateway That Must Go TodaY! It Is currenTly Running Windows Vista And The Administrator Account Is Locked. The Hd Either Needs To Be Replaced With A New Os Or formatted And Reinstalled. It Is Capable Of Running Windows7 But I Would Highly Recemend Adding More Ram If U Want TI.Do That. So, With Tbe Initial Buy (125) And An Addktnal 125 TO 150, It Would Be Around 250 Dollars For A New Computer... Please Contact me as soon as possible if you are interested I have to sell it ASAP

thank you
