Arkansas is a great place to retire, to start and run a business, and to vacation. Dreams can come true in Arkansas!

I have two lots I would like to sell to someone wanting to build their dream.

They are located in a gated community. This area is known for those wishing to retire or have a safe place to raise a family. The community is located in the Lakeside School District, in Garland County. This also could be a second home for vacationers or business professionals.

Both lots are roughly 1/3 acre. The entire community has yet to be fully developed. This means now is the time to get a good price, before the community is fully built.

I will consider all offers, and might possibly consider a deal for both. There are annual dues for the properties in the community.
