Price:

Kiel
800.00 \$

for sale is a sectional sofa with love seat and includes a longer piece and shorter with the shorter being divided in the middle. Four seats of the couch recline. The roll top desk is a riverside that is 5 ft long, 34 inches deep, and 52 inches tall. Great for a computer workstation and storage of important documents. Also could be great for the kids and their homework, pictures sent by request, call or text 9202862541
