Roll-top Desk with lots of storage spaces

Top and base can be separated for easy transport and set up.

For re-attachment, 3 screws on each side hidden under working base, and 2 screws attached to underside of top unit inside knee hole opening.

Total size of assembled desk is approximately 51 3/4" wide and 53 high at back by 27" deep. Behind locking door on left side of base section is space for computer (tower), book or folder storage, small drawer, pullout tray for discs, and storage space. Opening of this unit is about 17" wide x 22 3/4" high x 26" deep. Right hand unit on base has 2 drawers i.s. approx. 9 3/4" x 19 1/4" x 3/3/4" high, and each drawer has multiple divider grooves for organizing and containing contents.

The 3rd drawer on right hand unit is a locking hanging file drawer with inside measurements approximately 9 3/4" wide, 19 1/4" long and 9 3/4" deep, and metal bars for hanging files.

Between the two lower sections is a center pull out shelf for keyboard approx. 19 1/4" w x 18", and flip down cover.

All doors have magnetic latches and attractive matching wood pulls. In addition, each unit of

this lower section has a bread-board pull out for keyboard; Left side is 19" and right side is 11"
