Address: **931, Lynnville**

Price: **150.00 \$**

BOUGHT & INSTALLED NEW - USED JUST 2 YEARS; NEAR PERFECT CONDITION! IF BOUGHT NEW @ HOME DEPOT \$597.00 - CAN BE CONVERTED TO NATURAL GAS

The GE 50-Gallon 36,000 BTU Liquid Propane Water Heater features a Piezo ignition system that saves you the effort and hazard of lighting matches. The 50-gallon tank provides ample hot water for your household, while a low-NOx burner reduces emissions and offers energy efficiency. A SmartShield Sensor System has an exclusive air/fuel shut-off device that gives double protection against the ignition of flammable vapors outside the water heater.

- 50-gallon tank provides ample hot water for your household
- Liquid propane water heater
- 36.4 GPH recovery rate at a 90-degree Fahrenheit rise
- 0.58 energy factor signifies a high-efficiency heater
- Maintenance free - no filter to clean
- Factory installed temperature & pressure relief valve
- Piezo ignition system for easy lighting
- Low-NOx burner reduces emissions and offers energy efficiency
