Although these are older models, they still work and sound great! These are Peavey DTH Concert II, 2-15" subwoofer cabs. They have been cleaned and equipped with new Peavey BWX 1508 drivers making their performance "like new". Rated @ 1450 watts (program) these subs will "kick" your DJ/PA SYSTEM with the thump you need at a fraction of "new" cost. They are equipped with wheels/handles for easier moving. Local inquiry only, buyer will have to pick up in Meridian. \$450, negotiable.
