Price:

79.00 \$

The 4' Picnic Table from Lifetime Products is constructed of heavy-duty, high-density polyethylene and a powder-coated steel frame, made entirely in the United States. Seating up to four adults comfortably, these picnic tables are stain-resistant and easy to clean. The tables are completely waterproof and can endure weathering and rain without chipping or cracking. This model also comes umbrella hole ready, (umbrella not included) giving you that added convenience while eating outside.

Lifetime 4' Picnic Table:
