Used but in working condition, Siemens Ultrasense Electric Dyer with manual. Please see pictures, a couple kind of blurry, but I also took picture from manual for the controls, the manual was sitting on top of dryer but there is a separate picture of it as well. Dryer does have a bottom storage draw. I switched to gas dryer. \$250 or best offer, cash only preferred. In New Hampton. Text 641-229-5563, e-mail stringding12@hotmail.com.
