Address:

**61492 Niagara Road, Spring Creek, Montrose**

Price:

**60.00 \$**

We call this folk art portrait The Scary Family Portrait, because it is truly scary looking according to my friends and family. Have no idea who these people are; it's a cool folk art portrait along the lines of American Gothic. We think it is chalk, probably done in the early 20th century. I personally like it, but no one will sleep in the room where I keep it so I'm selling it.
