Address:

**Painesville**

Price:

**75.00 \$**

This was my great great grandfather's shoe making station. My grandmother told me about him making shoes. I think that is pretty amazing. A lost art! This could be a great conversation piece for any room in your house. I think someone could really appreciate this in their house more than I can. Call or text Tom at four four 0- four seven 7- eight seven eight 7.  
Thanks!
