Address: Ze
Price: 550.00 \$

Large Capacity! High Efficiency ~ that means you save money by using less water, less energy, and less detergent!

Bought in 2016 and in impeccable condition still. Still have all the manuals. We are relocating and won't need them. Prefer selling them over putting into storage. But need to be sold BEFORE this weekend!!

Samsung Top Load Washer: Deep tub, no agitator arm so the tub size is AWESOME!!
Samsung Electric Dryer with Moisture Sensor Control

Separately: Dryer for \$350 Washer for \$300 or \$550 for BOTH. Will consider reasonable offers.

Clothes come out of washer nearly dry (like in a front loader washing machine). Dryer is FAST!
