Address:

Mentor

Price:

500.00 \$

I am selling a car subwoofer system. The speakers are JL Audio 12-inch subwoofers that are enclosed in a JL Audio speaker box. Attached to the speaker box is an Alpine amplifier. System also comes with all wiring necessary to hook up to a stock radio. Sound system is in excellent condition and works great. Sound system is ready to hook up once purchased. Price is non-negotiable. Text 440-241-3366 with any questions/inquiries.
