Address:

1647 Escalero Road, Rincon Valley, santa rosa

Price:

125.00 \$

outsunny awning, 8 feet wide, 7 feet deep, retractable, forest green . . .

we purchased the awning online but when we got it, realized the bar that would anchor to our house was too heavy for the structure, which is shingle sided . . .

awning is new, not even out of the box . . .

we paid about \$150 for the awning but would sell it for \$125 or best offer . . . if we do not get a decent offer we will probably give it to our kids !!!
