Still needing to sell!!!

Our friend Bryce has a 4-H Steer for sale. This Steer has won multiple Champions. His show career is now ended and he is ready for your freezer. He is currently weighing 1345lbs and he is asking \$2.00 a pound. He will take him to the butcher shop and you pick up the meat there. Buy the whole thing or half it with a friend. Please help him out by purchasing this great beef so he can continue his project next year. Contact Bryce at 865-414-4719 Thanks!
