Address: **5 Renaissance Square, White Plains**
Price: **185.00 \$**

****price is negotiable****

Acid Green 1950's table set.

Tables are in good condition with a few scratches.

Authentic, midcentury modern look and style. Great accent pieces. I'm looking to sell all 3 as a set.

Again, the style is unique and I would keep them but they don't match my apartments decor/style.

****make me an offer. I won't be offended****
