Today only 9-1. I am selling my beads in a garage sale. I purchased these at Auction and have a large amount. All items are up for sale. My inventory includes approx 200 6 inch tubes of seed beads priced from 1.00 - 8.00 (about half retail). Also on stock - over 3000 Swarovski crystal pave beads - this includes about 2000 that will fit Pandora (European style bracelets), all of these have silver cores and are great quality - some are hard to find 2 color mixes. In addition, I have a good amount of Venetian glass wedding beads and more. All items are new and priced about 50-60% below retail. Some examples in photo - but there is a lot more to see
