Address: **Greenway, Beaverton**
Price: **40.00 \$**

Help save this poor little barbecue grill from the trash compactor or worse sitting alone in the dump wondering why it was abandoned.

Working 2 burner grill. Also has a working side burner. Upgraded to a 4 burner (more room for steaks!) and don't need this one.

Could use a good thorough cleaning as well. Or use it to add to your bbqing :)

Help re-home lil smokey!
