Address:

Summer Rd., Flemington, NJ, Flemington

Price:

13500.00 \$

LIKE NEW JOHN DEERE 997 Z-TRACK w/ ONLY 220 hrs on it. Has the 31 h.p. YANMAR Diesel engine and the high-end Parker-Ross cross-fed hydraulic drives. JUST SERVICED, NEVER USED COMMERCIALY, STORED INSIDE, & ONLY ONE OWNER (the condition clearly tells this tale). This was, and still is, the top-of the line John Deere zero turn mower. The "7-Iron Pro," 7-gauge, one-piece, stamped-steel, 72" side-discharge deck is set up with both the mulching kit (a \$500 attachment) and the roller kit to stripe the grass like a professional (a \$500 attachment). Also includes the bumper & grill guard to protect the rear hood (a \$500 attachment). For comfort and ease of use, it includes the "Deluxe Comfort Seat" that is wider and deeper with extra padding & springs (a \$600 upgrade), an electro-hydraulic deck lift mechanism, and deluxe thumb controls on the sticks to work everything. Comes with an extra set of blades and the side-discharge chute which aren't pictured. These commercial Z997 ZTR mowers typically last for over 3000 hrs., and sell new for around \$23K+ (without the upgrades, and then add the tax - it's not pretty). I'm selling only because our house sold. SHE'S MINT, and I'll be sad to see her go.

Willing to deliver within reason. Email to discuss logistics. Item is sold "As-Is," with no warranty expressed or implied.
