Address:

123 Julian Street, Laurel, Laurel

Price:

Free

I purchased this about a year and half wanted it desperately but I could not use it because its for fair skin. I am not fair enough. Its been stored away in my home unused since. I have two cartridges that cost about \$50 or more depending where you shop. I am only asking \$90 but I paid more than \$300 from Kohls. Its in excellent shape with all originals it came with. If you are interested please let me know.
