We love our Sleep Number bed so much we bought a new one, and now the first one needs a new home! Our current bed has almost 10 years left on its 20 year warranty and is in very good condition, except where the cats clawed the base. King Size, fits two people and multiple felines, comes complete with mattress pad and four sets of sheets - two cotton, two flannel. Easy to assemble, we have moved it a couple of times. Original cost right around \$4000.

Try the Sleep Number process for very little investment and see if it's for you.
