Nine Vending Accounts for Sale

All secure indoor accounts that have been serviced for years generating about \$23,000.00 annually. These accounts do not require a lot to maintain and would be a great addition to your current route or new small business in addition to your current job. Best of all the accounts are located off major freeway for easy access in Dallas and Denton county. I'm asking 60 cents on the dollar but the price is very negotiable with a quick very negotiable cash offer. I looking to sell quickly to generate capital for a new business opportunity. Ask for Wally or Cynthia (214) 477-7901.
