Raw land, classified as agricultural, approximately 23.3 acres, 2 springs, 1 each located at the bottom of each of the 2 hills on 2 sides of the property with about 6 acres of very gently rolling at the top and entrance/drive. Nearby access to electric utility pole. Other utilities may be available. Water access is from 2 springs, 1 of which I'm told never runs dry and is not sulfur water. Also a great area for hunting.
