Price:

525.00 \$

The real thing - classic old world wine press. We used it for years making cider.

Super price! Compare to \$800 - 1,000 and not with all the parts.

In great shape, kept indoors. Excellent display for your wine cellar, or ready for the grapes.

All the parts including press, wood slats, hopper, grinder and cast iron base. Hard to find all together and working!

22"Wx22Wx44H to top of hopper, 60H to top of press when mounted.
