Elegant solid ash dining set from Emerald Home Furnishing's Bel Air collection. Beautifully crafted with an elm veneer and lightly distressed surface finish. The table features dramatic pedestal legs that offer a strong base for the easy-glide expandable table. The glass shelves of the hutch are lit with touch activated can lights. This set fits perfectly in a rustic or formal setting and is designed to last a lifetime thanks to Emerald's world-class craftsmanship. All pieces in like new condition, no signs of wear or damage.

Set includes:

- Dining table (84" x 41") with 28" butterfly leaf that extends the length to 112"
- 6 chairs
- Buffet base (65" x 19")
- Hutch (sits on top of the buffet, secured on the back for stability)

Ideally the set will be purchased together, but open to selling pieces separately (buffet + hutch or table)
